Fury M D March 25 1862

Dear wife and
 Children I am writing these
 few lines to you hoping that
 that it will find you in good
 health as this leaves me at first
 thanks be to God for His blessing
 to me Dear wife This is my
 last letter that will go from
 me for some time But all the
 letters that will be sent to me
 I can rec^d them I am leaving
 here to day and do not know
 my Destination But now ever
 we were told that we could not
 send any more letters for some
 time Remember me to Mary
 and Martha and little Mary
 and tel her that poppa is
 gone of South I hope Johnny
 is in good health I suppose he
 would now me when I go home

Dear wife those few lines
is to certify the Arrangement
that was made in camp this
morning the Mayor of Chelsea
was here and according to the Lay
which the have past we have
done it as long as we could not
get our pay from the Government
now I for won is going far away
and I send my name for you to
get 15 dollars of my pay at the
City Hall of Dorbury which will
come due the first of May
commencing the first of March
and every two months and
till the war is over or till I
goe home you will get 15
dollars every two months along
with your State pay so I hope
you will see to it and
tell that I can do for the
children after words I will
do it

Dear wife I have not
much time to write to
day for we are all packing
up to day write to me,
when you feel like it
and I should be happy to
Hear from you and the
little ones

Give my Love to
all the Family ..
and inquiring friends
by concluding those few
Lines I write my love
to you your Family
and affection Husband
